1. This is an application impugning an order of issuance of process and also impugning a judgment passed by the revisional Court dismissing the revision filed by the applicant. The point is that there was no averment of the applicant being in day to day charge of the institution. It is seen that the applicant is described as a Secretary. In the circumstances, I am not inclined to entertain this application. The point regarding sufficiency of

averment is left open and will be decided on its own merits without being influenced by any observation made in this order. Application stands disposed of.
